Reminders

As the weather is getting warmer can we please ask that you ensure your **child has sun cream applied prior to coming to school**. Many of the pupils learning experiences will take place outside, including regular visits to the allotment. Please can you also continue to **provide your child with a bottle of water that has their name clearly displayed on it and a hat, if desired**. At school we encourage pupils to sip water throughout the day, as it not only refreshes them but also aids their concentration. Can we also remind parents/carers that our school uniform policy is black school shoes **NOT trainers/sandals**. We **DO NOT** allow dogs, scooters or bikes on the school premises. Thank you.
