24 September 2018

Dear Parent/Carer

Your child has been selected to attend an Annual STEM Lecture 'The Rise of the Humans' on Tuesday 2nd October 2018. The lecture, which is organised by High Tunstall College of Science and delivered by Dave Coplin. The lecture will take place at Hartlepool Borough Hall starting at 4:30pm and finishing approximately 6pm. Dave Coplin was Chief Envisioning Officer and founder of The Envisioners Ltd. With over 25 years in the technology industry (and through his former "day job" as "Chief Envisioning Officer" at Microsoft) Dave is at the forefront of conversations on how individuals and organisations could benefit from the transformational potential that technology offers, rather than simply using it to do the same things, but only slightly better. Further information regarding Dave Coplin can be found at his website <http://www.theenvisioners.com/>.

Pupils will stay in school at the end of the day and we will provide them with a drink and a healthy snack. Children will travel by coach with staff to the Borough Hall, leaving school at 4pm returning at approximately 6:10pm depending on traffic. Children will need collecting from Eldon Grove Academy at **6:10pm**.

If you wish your child to attend this prestigious event please complete the reply slip below and return it by Friday 28th September.

Yours sincerely

STEM Faculty

STEM Lecture Hartlepool Borough Hall
Tuesday 2nd October 2018

Child's Name _____ Class _____
