September 2020

I would like to extend a very warm welcome to everyone in our school community. It is wonderful to be back in school with all of our pupils in attendance once again. They have returned excited to learn, and are full of joy – school now feels like it should once again.

Our motto is **Potential Is Our Passion** and we truly believe that every child in our school does have potential. It is our job to unlock that potential and we aim to nurture every child and provide opportunities so that each child can flourish. Eldon Grove Academy has a dedicated and hardworking staff who work tirelessly to support every child – striving to provide the best possible learning experiences both inside the classroom and out.

At Eldon Grove Academy we deliver a rich and exciting curriculum which our pupils enjoy. This year we hope to embed our Learning Behaviours to support pupils succeed in their learning and enable them to explore every opportunity. We hope to ensure each child becomes an independent learner. The learning behaviours are –

Challenge
Pride
Resilience
Risk Taking
Curiosity

Parental involvement and engagement is of paramount importance to our success and, as such, families are frequently invited to come in and see what their children are learning. This may be difficult at the moment but we will continue to explore ways of sharing learning with you. Working in partnership with parents is crucial if we are to ensure all of our children feel safe, happy, valued and achieve their full potential.

We look forward to working with you all again this academic year!

Yours sincerely

Mrs Audrey Brahim
Head of School
